

Appendix 6

AlRayan Research and Innovation Centre- Fund Application (ARIC-FA)

Expression of interest (stage 1)

Supplementary Research Costs Application (stage 2)

- This online application can be found on the AMC main website (..... URL).
- Before completing this form, applicants must read the ROD, Ministry of Health and other funders rules in order to align our research goals with that of vision 2030 (<https://www.kacst.edu.sa/eng/Fund/Pages/landing.aspx>).
(<https://dsrs.ksu.edu.sa/ar/node/2429>)
- The ARIC-FA is intended to enhance AlRayan research sector and add value to the 2030 Saudi vision.
- The ARIC-FA may aim to meet basic research and infrastructure costs associated with the applicant's research but should always be with clear research goals.
- Applications must not be handwritten, must be submitted in not less than 12-point font type.
- The review panel will aim to discuss and improve the outcome of any grant applications during ARIC meeting every fortnight.
- Advice regarding this form or list of funders, please contact ARIC (room 596).

:Stage 1

Applicant details	
Family name	
First name	
Email	
Area of expertise	
Faculty	
(Load (weekly teaching hours	
Fund details	
Date of submission	
Research field	
Amount requested (if applicable)	
Fund provider- source (if applicable)	
Project title	
Project summary	
- Provide an informative plain language summary of your research (100 words maximum). Identify the project's main aims, its significance within the field, the expected research outcomes in accordance with vision 2030.	
(Principal investigator (PI	
:Family name	
First name	
Email	
Faculty	

Co-Principal investigator (Co-PI)	
Family name:	
First name	
Email	
Faculty	
Co-Principal investigator (Co-PI)	
Family name:	
First name	
Email	
Faculty	
List of additional Co-PI, if found	
Order of authorship by family name	
Current progress (if any)	
- Including what has been accomplished, and what remains to be done to achieve the research aim	
Outline of Research plan and methods	
In approximately half of one A4 page, explain how you will carry out the - .proposed research activity and provide a brief timeline for its completion	

ected outcomes (potential contribution to knowledge and practice)
In approximately half of one A4 page, explain the expected outcomes of this -
research activity
